When the UL Leaf Mark is on the product, or when the word "Environment" is included in the UL Mark, please search the [UL Environment database](#) for additional information regarding this product's certification.

The appearance of a company's name or product in this database does not in itself assure that products so identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL Mark should be considered to be Certified and covered under UL's Follow-Up Service. Always look for the Mark on the product.

UL permits the reproduction of the material contained in the Online Certification Directory subject to the following conditions: 1. The Guide Information, Assemblies, Constructions, Designs, Systems, and/or Certifications (files) must be presented in their entirety and in a non-misleading manner, without any manipulation of the data (or drawings). 2. The statement "Reprinted from the Online Certifications Directory with permission from UL" must appear adjacent to the extracted material. In addition, the reprinted material must include a copyright notice in the following format: "© 2015 UL LLC".

NOTICE OF COMPLETION  
AND  
AUTHORIZATION TO APPLY THE UL MARK

April 26, 2018

MR. HATEM MAWLAWI  
INTERNATIONAL TUBE & CONDUIT CO LTD  
Plot (1B-15), King Abdullah Economical City  
Jeddah Rabigh, 21433, SA

Our Reference: File E331697, Vol 1

Order: 11915601  
Project 4788118648

:

Your Reference: FP 104/17 DTD 16-AUG-2017

Project Scope: UL Listing to 3/4 and 1-1/2 Trade Sizes of Intermediate Metal Conduit (IMC) for file E331697.

Dear MR. HATEM MAWLAWI:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements. This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at authorized factories under UL's Follow-Up Service Program. To provide your manufacturer(s) with the intended authorization to use the UL Mark, you must send a copy of this notice to each manufacturing location currently authorized under File E331696 , Vol 1.

Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent in the near future. Until then, this letter authorizes application of the UL Mark for 90 days from the date indicated above.

Additional requirements related to your responsibilities as the Applicant can be found in the document "Applicant responsibilities related to Early Authorizations" that can be found at the following web-site: <http://www.ul.com/EAResponsibilities>

Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

We are excited you are now able to apply the UL Mark to your products and appreciate your business. Feel free to contact me or any of our Customer Service representatives if you have any questions.

Very truly yours,

Daniel Haiducu  
Staff Engineer

Attn: Mrs. SELİN SARAÇ**

**TO WHOM IT MAY CONCERN**

Dear Sirs,

International Tube and Conduit Company is a leading manufacturers of galvanized steel conduits in the Kingdom of Saudi Arabia, located in King Abdulla Economic City. ITCC uses the latest technologies to produce defect-free and high quality products and services meeting the needs of customers across different segments. It had obtained the UL certificates; UL797 (UL File#E331698), UL6 (UL File#E331696), and UL1242 (UL File#E331697).

Kindly note that we still did not get the UL certificate for RSC  $\frac{1}{2}$ " and IMC  $\frac{1}{2}$ " -  $\frac{3}{4}$ " -  $1\frac{1}{2}$ ", however, all our conduits including the above mentioned sizes are manufactured as per UL specifications and standards.

Best Regards,

Bassel Sabban  
Sales Manager
